Case Material:

Steel, stainless

End Application:

Module, support type i an/aqs-20a (53711) 8224100

Scale Name:

Pressure-vacuum

Dial Size:

2.5

Scale Type:

Dial

Scale Accuracy:

.50

Actuating Element Material:

Steel, aisi 316

Product Name:

Gauge, pressure, dial

Material:

Steel, corrosion resisting, aisi 316

Material:

Steel comp 316

Material Specification:

Aisi 316 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-b
