Accessory Components And Quantity:

Fittings 4

Information Recorded:

Pressure

Recording Method:

Electrolytic discharge on chemically treated paper

Chart Drive Method:

Electric motor

Product Name:

High accuracy pressure measurement system

Special Features:

Pressure range full scale 100mmhg, torr; accuracy 0.08% of reading

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T206-a
