## NSN 6685-01-560-1516

Pressure Recorder - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-560-1516

Accessory Components And Quantity:
Fittings 4
Information Recorded:
Pressure
Recording Method:
Electrolytic discharge on chemically treated paper
Chart Drive Method:
Electric motor
Product Name:
High accuracy pressure measurement system
Special Features:
Pressure range full scale 100mmhg, torr; accuracy 0.08% of reading
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T206-a
