End Application:

An/fps-132

Product Name:

Barometer, digital

Environmental Attribute Code:

Barometers & hygrometers - consumer products - non-mercury alternative

Special Features:

Silicon capacitive absolute pressure sensor, operating temp range of neg 40 degrees to 140 degrees fahrenheit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-a
