Digital Display Barometer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-567-4716

End Application:
An/fps-132
Product Name:
Barometer, digital
Environmental Attribute Code:
Barometers & hygrometers - consumer products - non-mercury alternative
Special Features:
Silicon capacitive absolute pressure sensor, operating tep range of neg 40 degrees to 140 degrees farenheit
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T179-a
