**End Application:**

Afff biocide injection system skid

**Actuation Type:**

Pressure sensing element

**Actuating Element Material:**

Steel, aisi 316

**Product Name:**

Pressure gauge

**Special Features:**

Pressure gauge, general service, 1/4 inch npt, cres 316 socket, 0-300 psig

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

Yes - demil/mli

**Fig:**

T179-b
