**Case Material:**

Aluminum

**Actuation Type:**

Metering

**Scale Name:**

Inches of water

**Special Features:**

Differential negative pressure gas analog meter; mechanical deflection type; op temp 20 to 140 degrees f; 0 to 0.1445 psi

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T179-b
