Overall Length:

46.000 inches

Overall Width:

12.750 inches

End Application:

Dampener, fluid pressure

Connection Quantity:

2

Fluid Type For Which Designed:

Water

Product Name:

Acoustic filter, apt-12

Special Features:

4 vane pump; estimated weight is 180 pounds; flow: 227 usgpm; operating temperture: 50 degrees fahrenheit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-n
