Overall Length:

1.250 inches

Overall Width:

0.500 inches

Operating Temperature Range:

-78.0/+200.0 degrees celsius

Contact Quantity:

3

Physical Form:

Rectangular

Contact Type:

Wire lead

Actuation Type:

Thermal

Operation Type:

Averaging

Product Name:

Strip sensing thermal-ribbon

Special Features:

320 inches lead lgth; 26 awg, ptfе insulated; platinum element; untwisted; no adhesive

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A514m0
