**Operating Temperature Range:**

-40.0/+180.0 degrees celsius

**Product Name:**

Duct-mounted relative humidity temperature transmitter

**Special Features:**

Included remote stainless steel 9 inches probe; power: 7 to 30 vdc

**Type/model Designation:**

Hx15

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A27600
