Operating Temperature Range:

+45.0/+60.0 degrees fahrenheit

Current Measuring Device Current Rating:

2.0 amperes

Product Name:

Dryout thermostat

Special Features:

Input 18-30 vac; 2 wire installation; can be used as a low ambient cutoff switch

Type/model Designation:

Icm sc060

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27600
