Dial Indicating Pressure Gage - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6685-01-599-8005

30.2 millimeters

Overall Diameter:

69.0 millimeters

Case Material:

Steel, corrosion resisting

Scale Name:

Liquid

Dial Size:

2.5 inches

Scale Type:

Circular

Scale Accuracy:

Plus/minus 1.6 percent full scale

Product Name:

2.5 inch stainless steel industrial pressure gage

Shelf Life:

N/a

Unit Of Measure:

Demilitarization:

No

Fiig:

T179-b
