Ambient Temperature Sensor - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6685-01-600-3186>

Overall Length:

5.91 inches

Overall Diameter:

0.55 inches

Operating Temperature Range:

-30.0/+350.0 degrees celsius

End Application:

An/fsd-3, nha r103000-01

Physical Form:

Straight

Contact Type:

Connector plug

Actuation Type:

Thermal

Product Name:

Probe, temperature sensor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A514m0
