**Diameter:**

4.50 inches

**Length:**

2.20 inches

**Display Digit Quantity:**

5

**Product Name:**

Betagauge pi pro digital pressure test gauge

**Special Features:**

Temperature range is -10 to 55 deg. C.; humidity range is 10-95 percent rh non-condensing; connection type is 0.25 (1/4) npt male connector; housing material is stainless steel;

**Height:**

5.00 inches

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A533y0
