Diameter:

4.50 inches

Length:

2.20 inches

Display Digit Quantity:

5

Product Name:

Betagauge pi pro digital pressure test gauge

Special Features:

Temperature range is -10 to 55 deg. C.; humidity range is 10-95 percent rh non-condensing; connection type is 0.25 (1/4) npt male connector; housing material is stainless steel;

Height:

5.00 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
