End Application:

Three stage hydraulic aviation axle jack

Graduation Unit:

1000.0 pounds per square inch

Scale Name:

Pounds pressure and ton

Product Name:

Load gauge

Special Features:

Load gauge with a readoing of 45 tons; tons on 4.744 bore center stage; tons on 5.850 bore lower stage

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
