Overall Length:

2.330 inches

Overall Width:

0.750 inches

End Application:

4940-01-551-2884

Product Name:

Male superpressure probe

Special Features:

Material type is 303 stainless steel; psi: 10,000 psig; orifice is 0.047 inches;

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A505w0
