Overall Height:

77.0 millimeters

Overall Diameter:

1.97 inches

End Application:

3930-01-599-9978

Actuation Type:

Any acceptable

Scale Name:

Blank

Pointer Color:

Any acceptable

Scale Type:

Circular

Scale Smallest Increment:

1.0 pounds per square inch

Mounting Method:

External pipe connection

Actuating Element Material:

Brass

Mounting Connection Location:

Bottom

Connector Type Vent:

Not provided

Product Name:

Three color pressure gauge

Special Features:

Operating pressure is 145 psi and trip pressure is 29 psi. Gauge is mounted by 1/8 inch tube on bottom

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T179-b
