Dial Indicating Pressure Gage - Page 1 of 1

View Online at <https://aerobasegroup.com/nsn/6685-01-621-8407>

End Application:

Compressor, ai

Usage Design:

Filter accessory pressure indicator, comp air

Actuation Type:

Any acceptable

Scale Name:

Pressure

Scale Type:

Any acceptable

Product Name:

(inavy) gage pressure; dpg-15hp

Special Features:

Description: attribute value; type: fits on most m-series housings; medium: compressed air; port connection: 1/4 inch; pressure range: 0-15 psid

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T179-b
