Operating Temperature Range:

-4.0 to 122.0 degrees fahrenheit

Product Name:

Infrared thermometer

Environmental Attribute Code:

Non-mercury alternative - medical products - thermometers

Special Features:

Optics 6.5 feet measuring distance; 4 point laser sighting; measuring range -22 to 1112 f

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A27600
