Wiring Provision Method:

Individual wire

Voltage Rating In Volts:

28.0 ac or 28.0 dc

Mounting Method:

Threaded hub

Material:

Copper alloy body

Material Specification:

Sae-73 assn standard single material response body

Surface Treatment:

Cadmium body

Terminal Type And Quantity:

1 wire lead

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A06300
