General Description:

Designed to record data from various welding machines, major components 1 model 1508b620709ct0 oscillograph, 1 no. 16775756-001 rack mtg kit, 1 no. 16775754-001 writing platen, 14 no. M1650 galvanometers, 1 no. 118-1 gage control/amplifier, 7 no. 122-2 differential amplifiers, 1 no. 115 6 channel dc amplifier, 1 no. 16773024-001 6 channel input coupler, 1 no. 16902634-001 8 channel rack adapter, 1 series 4000 56 in. Console; 18 current transformers; 39 potential transformers, 18 current transducers, 6 pressure transducers, 1 tachometer, 1 tachometer multiplier w/motor
