Special Features:

Provides proportional electrical output & measures barometric pressure; pressure range 640 to 1,060 mb; wt 1.3 lbs., water tight; op tem -50 deg. C to +55 deg. C; nonoperating temp. -50 deg. C to +68 deg. C; o/a diameter 3.495 in.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
