End Application:

F-15a/c/j, fmf15a/c, saf15c

Usage Design:

Position

Presentation Type:

Window

Individual Marking:

Upper half symbol red lower half black

Marking Color Specificationific Use:

Safe position

Case Material:

Aluminum

Special Features:

Indicator assembly aircraft access step position; consists of a red and black button hooked by mechanical linkage to step access door

Supplementary Features:

Tech order 1f-15a-4-1, fig 1-59

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
