End Application:

Pmel

Product Name:

Laser measurement system

Special Features:

System includes ml10 measurement laser p/n a/8003/0742, ml 10 calibration certificate, ec10 environmental compensation p/n a/8003/1395, ec10 calibration certificate, temperature sensor extension cable 16.4 feet long p/n a/8003/0735, hand held switch with 32.8 foot cable p/n a/8003/0850, tripod p/n a/8003/0982, optical mounting kit p/n a/8003/0447, linear measurement optics p/n a/8003/0440, angular measurement optics p/n a/8003/2532, flatness measurement kit p/n a/8003/2533, supercase p/n a/8003/1406, pc10 interface kit p/n a/8003/2376, newark laser calibration software p/n a/8003/2534, manuals

General Description:

REPL-AC-ESM-L10W

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
