Fluid-hydraulic Pressure Transducer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6695-01-465-1273

d Application:	
ting trunk	
ecial Features:	
easures air pressure inside a closed volume, item and sensing port will be subjected to seawater, pressure ranging from 0 to 600 p	si
elf Life:	
it Of Measure:	
militarization:	
g:
