Overall Height:

1.500 inches

Overall Width:

1.938 inches

End Application:

Eye piece box for a periscope, type 18 adbf

Mounting Configuration:

Four 0.128" diameter mounting holes 1.188" center to center distance parallel to the height and 1.625" center to center distance parallel to width

Dial Window:

Not included

Material:

Aluminum alloy, qq-a-250/11, alloy 6061

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:
