Terminal Quantity:

1

Terminal Type:

Flange

Overall Length:

95.0 millimeters

End Application:

Reference standard, physical properties; reference standard set, pccn: p4ihm0

Electrical Connection Quantity:

1

Mechanical Connection Quantity:

1

Mechanical Connection Type:

Threaded male flared tube

Criticality Code Justification:

Agav

Product Name:

(inavy)sensor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T145-b
