Motional Pickup Transducer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6695-01-522-2041

Terminal Quantity:
1
Terminal Type:
Flange
Overall Length:
95.0 millimeters
End Application:
Reference standard, physical properties; reference standard set, pccn: p4ihm0
Electrical Connection Quantity:
1
Mechanical Connection Quantity:
1
Mechanical Connection Type:
Threaded male flared tube
Criticality Code Justification:
Agav
Product Name:
(inavy)sensor
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
T145-b
