Product Name:

N4692a 2-port mw electronic calibration module, 2.92 mm

Special Features:

The agilent pna and ena series ofnetwork analyzers controls the module directly via the usb interface; 10 mhzto 40 ghz frequency range;

usb interface for direct control with pna and en a series of network analyzers; alternative 85097b interface when used with other analyzers;

full two-port calibration with a single connection; reduced connector wear; nist traceable accurate calibrations; reliable solid-state switching;

 width, 50.80 mm, length, 111.00 mm

Functional Description:

Calibrating network analyzers

Special Markings:

Caution label

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fiig:

A23800
