| Current Type:             |
|---------------------------|
| Ac                        |
| End Application:          |
| Crimp machine             |
| Product Name:             |
| Transducer                |
| Special Features:         |
| Aeroquip model ft1390-500 |
| Shelf Life:               |
| N/a                       |
| Unit Of Measure:          |
|                           |
| Demilitarization:         |
| No                        |
| Fiig:                     |
