End Application:

Mrap maxxpro cat1, cat2, ambulance, plus, dash, and dash w/iss

Scale Quantity:

1

Scale Name:

Deg

Scale Marking And Surface Finish:

Numerals fluorescent

Mounting Method:

Bracket

Scale Range:

-20 through 20

Scale Smallest Increment Graduation:

10

Product Name:

Inclinometer installation

Special Features:

Includes inclinomete (pn 12422671), bracket(pn 12547484)

Supplementary Features:

Includes screw, cap, hexagon hea (12414325-012) and nut lock

Specification Data:

Asme y14.100-2000 professional/industrial association specification and asme y14.5m-1994 professional/industrial association specification

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T261-a
