Special Features:

Transducer type is differential wet/wet. Pressure range is 250 psi. Output is 4 ma to 20 ma. Pressure port is 1/4-18 npt male. Electrical output connections is bendix ptih-10-6p. Accuracy is 0.10%.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T145-b
