**Overall Length:**

18.0 inches

**Overall Width:**

18.0 inches

**Overall Thickness:**

5.25 inches

**Product Name:**

Automated integrating sphere calibration standard

**Special Features:**

Sphere dia. 6/0 in, power 115 or 230 vac, 4 digit lamp current display

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

T134-c
