Fluid-hydraulic Pressure Transducer - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/6695-01-646-3747

Terminal Quantity:
1
Overall Length:
8.0 millimeters
Overall Width:
9.24 millimeters
Current Type:
Dc
Frequency Rating:
1.0 kilohertz
Voltage Rating:
Between 8.0 volts and 30.0 volts
Electrical Connection Quantity:
1
Product Name:
Pressure transducer
Special Features:
One-piece stainless steel construction; ranges up to 10, 000 psi or 700 bar; port size: 1/4 in npt; height: 55.88 mm;
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
T145-b
