**Accessory Components And Quantity:**

1 ea: fc-2 frog-eye camera; fhd-65 external hard disk & power module for autonomous operation; fpak-1 remote operations kit w/ 100m wire spool; fl-400 400mm f/5.3 free-flooded lens; Ins00024 canon 50mm f/1.4 lens for night vision; Ins00025 canon 28/105mm f/3.5-4.5 zoom lens; Ins00026 sigma 15mm f/28 wide-angle lens, underwater; flh-80 waterproof lens hood for canon lenses; flh-76 waterproof lens hood for sigma lens; Ins00027 filter for nir imaging over 720 nm; Ins00028 filter for visible light imaging less than 700 nm; Ins00029 filter for uv imaging; case-fs1 underwater kinetics waterproof case

**Model Number:**

Fs-1

**Criticality Code Justification:**

Feat

**Product Name:**

Frogeye camera system

**Special Features:**

Hanheld, remote & autonomous operations; all modes of operation/all environments (land/air/sea); rugged; inc. Reconnaissance and surveillance operation; multi-spectral imaging; remote operation

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A515x0
