End Application:

Photography

Accessory Components And Quantity:

Fc-2 frogeye camera 1 ea, fhd-1 external hard disk and power module 1 ea, fpak-1 remote operations kit inc. 100m wire spool 1 ea, fl-400 400mm f/5 3 free-flooded/collaspable long-standoff lens 1 ea, Ins00024 cannon 50mm f/1.4 light sensitive lens for night operations 1 ea, Ins00025 cannon 28mm-105mm f/3.5-4.5 general purpose zoom lens 1 ea, flh-80 waterproof lens hood for cannon ef lenses up to 80mm length 1 ea, Ins00027 filter for near ir (nir) imaging (>170 nm) 1 ea, Ins00028 filter for visible light imaging (<720 nm) 1 ea, Ins00029 filter for uv imaging (270nm-400nm) 1 ea, case-fs1 underwater kinetics waterproof shipping/organizer case 1 ea.

Model Number:

Frogeye

Product Name:

Camera system, digital

Camera Manufacturer And Part/model Number:

Desert star systems llc, fs-1

Special Features:

Primarily for imaging above water but can be used underwater, remote and autonomous operations

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A515x0
