## Fire Retarding Characteristic:

Fire retarding

# Mounting Type:

Stand and wall

# Support Stand:

Not included

## Surface Finish:

Glass beaded

### Prime Mover Type:

Spring

## Border Color:

Black

### Installation Design:

Portable

### Surface Feature:

Solid

#### Foldability:

Nonfoldable

## Maximum Width And Location:

72.000 inches picture

# Picture Maximum Height:

52.000 inches

### Light Transmission Screen Design:

Reflecting

#### Material:

Cotton

#### Material:

Cotton

#### Shelf Life:

N/a

### Unit Of Measure:

---

# Demilitarization:

No

# Fiig:

Т150-е
