Lamp Wattage Rating In Watts:

150.0

Projection Lamp Type:

Metal halide

Maximumlength:

11.600 inches

Maximumwidth:

9.800 inches

Maximumheight:

5.400 inches

Special Features:

Used for workstations, pc, mac plus video, hardware/software training, video conferencing, internet presentations; w/bat mouse ii, carrying bag, remote control; 13 ft multimedia cable, computer audio cable, mouse cable; op temp 15 to 30 degrees c; 120/240 vac, 64 bit digital gamma correction; opto mechanical operation; 15 to 100 khz horiz scan; 43.5 to 130 hz vertical scan; bandwidth 12 to 150 mhz; display 3 by 1024 by 768 pixel resolution polysilicon lcd; 16.7 million colors; 30 ms response; 2500 hr lamp life; 4 by 1 w/stereo hifi speakers; 4 video input channels; 2 computer input channels

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A32900
