Overall Length:

12.800 inches

Overall Height:

4.300 inches

Overall Width:

13.800 inches

Voltage In Volts And Current Type:

240.0 ac

Special Features:

Remote w/lase pointer; analog computer cble; 3.5mm computer audio cable; rca audio/video cable; power cord; useris manual; quick start card; cd; infocus organizer carrying case; operating temperature 10.0 degrees c to 35.0 degrees c

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A23900
