Overall Length:

9.450 inches

Overall Height:

3.970 inches

Overall Width:

11.970 inches

Wattage Rating:

250.000 watts

Special Features:

Xga 1024x768; brightness 1700 lumens; contrast ratio 2000: 1: dlp (digital light processing) technology; ceiling, front, rear projection; projector keypad and remote control; operating temperature 41-104 deg. F.; 100-240 volts at 50-60 hz. Power supply; weight 5.95 lbs.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
