Overall Length:

9.700 inches

Overall Height:

4.300 inches

Overall Width:

12.900 inches

End Application:

Powerlite 83c

Wattage Rating:

248.000 watts

Voltage In Volts And Current Type:

240.0 ac

Product Name:

Multimeter projector

Special Features:

2200 lumen projection unit. 6m operating distance

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
