Mounting Type:

Metal frame

Overall Height:

112.5 inches

Overall Width:

76.5 inches

Prime Mover Type:

Hand

Installation Design:

Portable

Surface Feature:

Solid

Foldability:

Nonfoldable

Maximum Width And Location:

96.0 inches picture

Picture Maximum Height:

60.0 inches

Product Name:

Stage screen portable projection screen

Special Features:

Front projection

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T150-e
