Mounting Type:

Table

Heat Medium Type:

Electrical

Current Type:

Ac

Frequency Rating:

60.0 hertz

Temperature Adjustability:

Adjustable

Casters:

Not included

Carrying Case:

Not provided

Usage Design:

N/a

Accommodated Film Length:

2.1 feet

Installation Design:

Portable

Design Type:

Flat bed

Operation Method:

Manual

Film Accommodation Type:

Matte

Heating Element Type:

Michrome units

Film Size Accommodated:

22 in. W

Temperature Controlled Feature:

Not included

Variable Speed Motor:

Not included

Sheet Film Quantity:

1

Gas Heat Conversion:

Not provided

Drying Capacity:

25 sec per sheet approx

Heating Element Quantity:

2

Voltage In Volts:

110.0

Phase:

Two

Material:

Steel w/chromium top

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T150-c
