Physical Form:

Powder

Reproduction Type:

Black and white

Unit Package Yield:

1.000 gallons

Material Processing Method:

Manual

Grain Control:

Not rated

Image Contrast:

Low

Unit Package Content Form:

Single unit for mixing

Material Type For Which Designed:

Film

Special Features:

Commercial film project; similar to nsns 6750-01-353-6581, 6750-01-353-6582, and 6750-01-353-6583; 1.320 lb pkg to make 1 gallon working solution

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24700
