**Physical Form:**

Powder

**Reproduction Type:**

Black and white

**Unit Package Yield:**

2.000 gallons

**Material Processing Method:**

Manual

**Grain Control:**

Fine

**Image Contrast:**

High

**Unit Package Content Form:**

Single unit for mixing

**Material Type For Which Designed:**

Film

**Special Features:**

Pkgd in can

**Reference Number Differentiating Characteristics:**

As differentiated by unit pkg yield

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24700
