Photographic Bleach - Page 1 of 1

Physical Form:
Powder
Reproduction Type:
Color
Unit Package Yield:
7.600 liters
Image Contrast:
Not rated
Unit Package Content Form:
Single unit for mixing
Material Type For Which Designed:
Film
Supplementary Features:
Two 3.8 I packages
Reference Number Differentiating Characteristics:
As differentiated by unit package yield
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A24700
