**Physical Form:**

Liquid

**Unit Package Yield:**

10.000 gallons

**Material Processing Method:**

Automatic

**Unit Package Content Form:**

Single unit for mixing

**Special Features:**

10 quarts liquid concentrate to make 10 gallons of working solution when mixed

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24700
