Width:

35.0 millimeters

Thickness:

0.007 inches

Length:

1000.000 feet

Material Transparency:

Transparent

Winding Device Type:

Core

Controlling Agency:

Kodak

Identifying Number:

2988 type no.

Stock Type:

Machine

Special Features:

Wound iaw kodak winding specification Im-767

Color:

Blue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T150-a
