Physical Form:

Powder

Reproduction Type:

Black and white

Unit Package Yield:

1.0 liters

Material Processing Method:

Manual

Unit Package Content Form:

Single unit for mixing

Material Type For Which Designed:

Film

Special Features:

Package to yield 1 liter working solution; required orderquantity type 12; required multiple orderquantity type 12

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24700
